The Gifted In Fremont

GENERAL ACADEMIC TUTORING PROGRAMS, CLASSES & CAMPS:

City of Fremont

City of Fremont offers a variety of summer camps and programs. Please visit their website for more information.

Website: www.fremont.gov/Recreation/Camps/default.htm

Education Unlimited

Education Unlimited offers top-notch academic and artistic summer programs for motivated students entering grades 4-12. The camps are held on college campuses including Stanford, UC Berkeley, UCLA, University of San Diego, Cal Tech, MIT, Tufts University and Endicott College. They are the first organization to offer a College Admission Prep Camp and since expanded offerings to include Sally Ride Science Camp for Girls, the California Actors Workshop, the Emerging Writers Institute and the East Coast College Tour. They also offer programs for mock trial, video production, computers, public speaking and more. All of their programs train students to be critical thinkers and lifelong learners. Camps range in length from five days to six weeks.

PROGRAMS TARGETED FOR GATE IDENTIFIED AND HIGH ACHIEVING STUDENTS:

ATDP

(Academic Talent Development Program)

ATDP offers challenging summer classes for highly motivated students who have completed grades K-6 and 7-11. ATDP courses offer a chance for students to gain in-depth knowledge of the subjects that interest them. This nonresidential program is administered through the Graduate School of Education at UC Berkeley. **Admission** is based on the student's overall academic profile.

Website: www.atdp.berkeley.edu/

Phone: 510-642-8308.

COSMOS

(California State Summer School for Mathematics and Science)

COSMOS is a 4-week summer residential program for high school scholars with demonstrated interest and achievement in math and science. The program is also open to exceptionally advanced and emotionally mature 8th graders capable of participating in a one-month program away from home. This intensive experience is intended to encourage the brightest and most promising young minds to continue their interest in these fields. Located on four University of California campuses (Davis, Irvine, Santa Cruz, and San Diego), COSMOS provides students with an unparalleled opportunity to work side-by-side with outstanding researchers and university fac-

iD Tech Camps

Id Tech Camps offer weeklong day and overnight summer computer camps for kids and teens ages 7-17 at over 40 universities nationwide, including Stanford University, UC Berkeley, UC Santa Cruz, UC Davis, Santa Clara University, and St. Mary's College of Moraga. The students learn the latest technology with instructors who make learning fun. They produce digital movies, create video games, design websites, learn to modify existing games, twist & warp digital photos, learn programming & robotics, and much more.

Website: www.internaldrive.com/

Phone: 888-709-TECH (8324)
